RESERVATIONS POLICY INFORMATION

UNIVERSITY CENTRE SERVICES
RESERVATION USAGE POLICY (2023)

Terms of Use
University Centre multi-purpose and executive meeting rooms are available for booking and use by all university and external community members. Established room rental rates, if applicable, will be applied based on the duration of the rental period and type of user group booking the space. There are three defined user groups:

1. Internal Groups: All student, departmental, college, and other organizational groups recognized as an accredited group/entity by the University of Guelph, Central Student Association, or Graduate Students’ Association are recognized as internal groups. Room bookings are available at no-cost for internal groups.

2. Affiliated & Revenue Generating Groups: External groups with affiliation to a recognized internal group or an internal group booking a room with the intended purpose of generating revenue (excluding approved fundraising purposes) will be provided space at 50% of the regular room rental rate.

3. External Groups: All community and corporate groups/entities may book space at the regular room rental rate.

To ensure fairness to all booking groups, all room reservations will be booked on a first come, first serve basis. Clients will be able to book rooms up to six (6) semesters in advance, or two (2) years, from the date of booking. All requests for block room bookings (regular re-occurring weekly bookings) will be subject to the review and approval of the University Centre prior to confirmation.

Express meeting room reservations may be booked up to three (3) hours in advance of the start of the reservation by contacting the Reservation Services Office at 519-824-4120 x58384 or visiting the office on Level 2, UC (Room 266, beside the CSA Office).

All multi-purpose rooms and Peter Clark Hall reservations require a minimum forty-eight (48) hours advanced booking. Exceptions can be made based on availability and type of usage required for the space.

The University Centre will work with groups to effectively manage reservations and booking of space based on the needs of each client.

For multi-day or large capacity events, a deposit of 50% of the applicable rates will be required ten (10) days prior to the start of the booking. The deposit fee is non-refundable and only applicable to Affiliated and External Group bookings.

Standard Room Amenities
All University Centre meeting rooms and multi-purpose rooms come fully furnished with standard room setup and basic integrated audio visual usage. Additional services and custom room setup is available upon request, please refer to our Reservation & Event Services Guide for additional information.

Integrated Audio Visual Support
Most of our meeting and multi-purpose rooms are equipped with integrated audio visual (A/V) systems for display and presentation purposes. Basic plug and play usage of the A/V system is included with the room booking. Advanced A/V support including the use of any special adaptors is available for $55 per hour weekdays or $85 per hour on weekends.

Clients using A/V systems are responsible for the care and condition of the system during the room booking. Any issues or concerns with the condition of the A/V system need to be forwarded to the attention of the Reservation Services Office immediately.

Approved Room Usages
The objective of the University Centre to provide social, recreational, educational and cultural activities which are not normally offered through the regular academic curriculum or other University services. Respecting this objective, the University Centre will not regularly permit space to be utilized for routine academic purposes associated with credit programs (e.g. regularly scheduled undergraduate/graduate lectures, midterm and final examinations, registration). This policy is not to discourage academic departments from using University Centre facilities but rather to encourage the development of innovative, non-routine, activities and events (e.g. special lectures or seminars, exhibitions). Special exemptions to this policy may be requested and reviewed for consideration.
RESERVATIONS POLICY INFORMATION

**Cancellation & Non-Use Policy**
The University Centre aims to maximize the availability and usage of all rooms in order to meet the large amount of requests for space. To ensure rooms and space are used effectively, the University Centre requires notice of cancellation immediately in order to make the space available for another group.

For late cancellations and non-usage of space (failing to arrive and use the room during the booking), the following late cancellation policies apply to all user groups:

1. **Meeting Rooms:** All standard meeting room bookings require a minimum of twenty-four (24) hours advance notice for cancellation. These rooms include 004, 005, 332, 334, 335, and 429.

2. **Multi-Purpose Rooms & UC Courtyard Bookings:** Multi-purpose room bookings and all courtyard bookings require a minimum of five (5) calendar days advance notice of cancellation. Multi-purpose rooms include 001A, 001B, 001C, 430, 441, and 442.

3. **Peter Clark Hall:** All bookings for Peter Clark Hall (complete hall booking) require a minimum of five (5) calendar days advance cancellation notice.

4. **Booked Services:** All arranged room services include A/V support, room setup, and food and beverage service require a minimum forty-eight (48) hour advance notice of cancellation.

5. **COVID-19 Related Cancellations:** If a reservation needs to be cancelled due to COVID-19 restrictions, the cancellation fee will be waived if cancellation notice is received no later than twelve (12) hours prior to the start of the event.

All late cancellations or non-usage of space will result in the user group being levied a fee equal to the regular daily rental cost and any arranged service costs associated with the booking. Late cancellation and non-usage fees are applicable to all defined user groups. Payment will be made by internal journal entry, debit/credit, cheque, or established client account. Failure to provide payment will result in a loss of booking privileges in the University Centre.

Cancellation fees may be waived under special circumstances, subject to the approval of University Centre management. User groups requesting a fee waiver must contact University Centre Services at ucreserv@uoguelph.ca or 519-824-4120 x58384 within fourteen (14) days of the booking date.

**Food & Beverage Services**
All food and beverage services including alcohol service in any location in the University Centre may be arranged through University Centre Services (Brass Taps Pub, Campus Bakery Co. and UC Event Services) or Hospitality Services. Prepared food items and alcohol beverages can only be provided by these service providers to ensure adherence to local and provincial food safety, health, and liquor regulations in addition to University Centre and University of Guelph policies.

Clients may arrange alternative food and beverage solutions (pre-packaged, non-perishable products) for their room booking provided they submit a Sales & Solicitation Request for approval to the UC Reservations Office at least five (5) days in advance.
